

MANILLA HIGH SCHOOL

When September arrives
And activities start,
Much fills our days,
We can't tell them apart;
We cherish them all,
But our memory's not clear,
So in order to keep them,
We've stored them in here.
Now as they all happened,
We've recorded each treasure,
And when we have finished,
You can read them with pleasure.

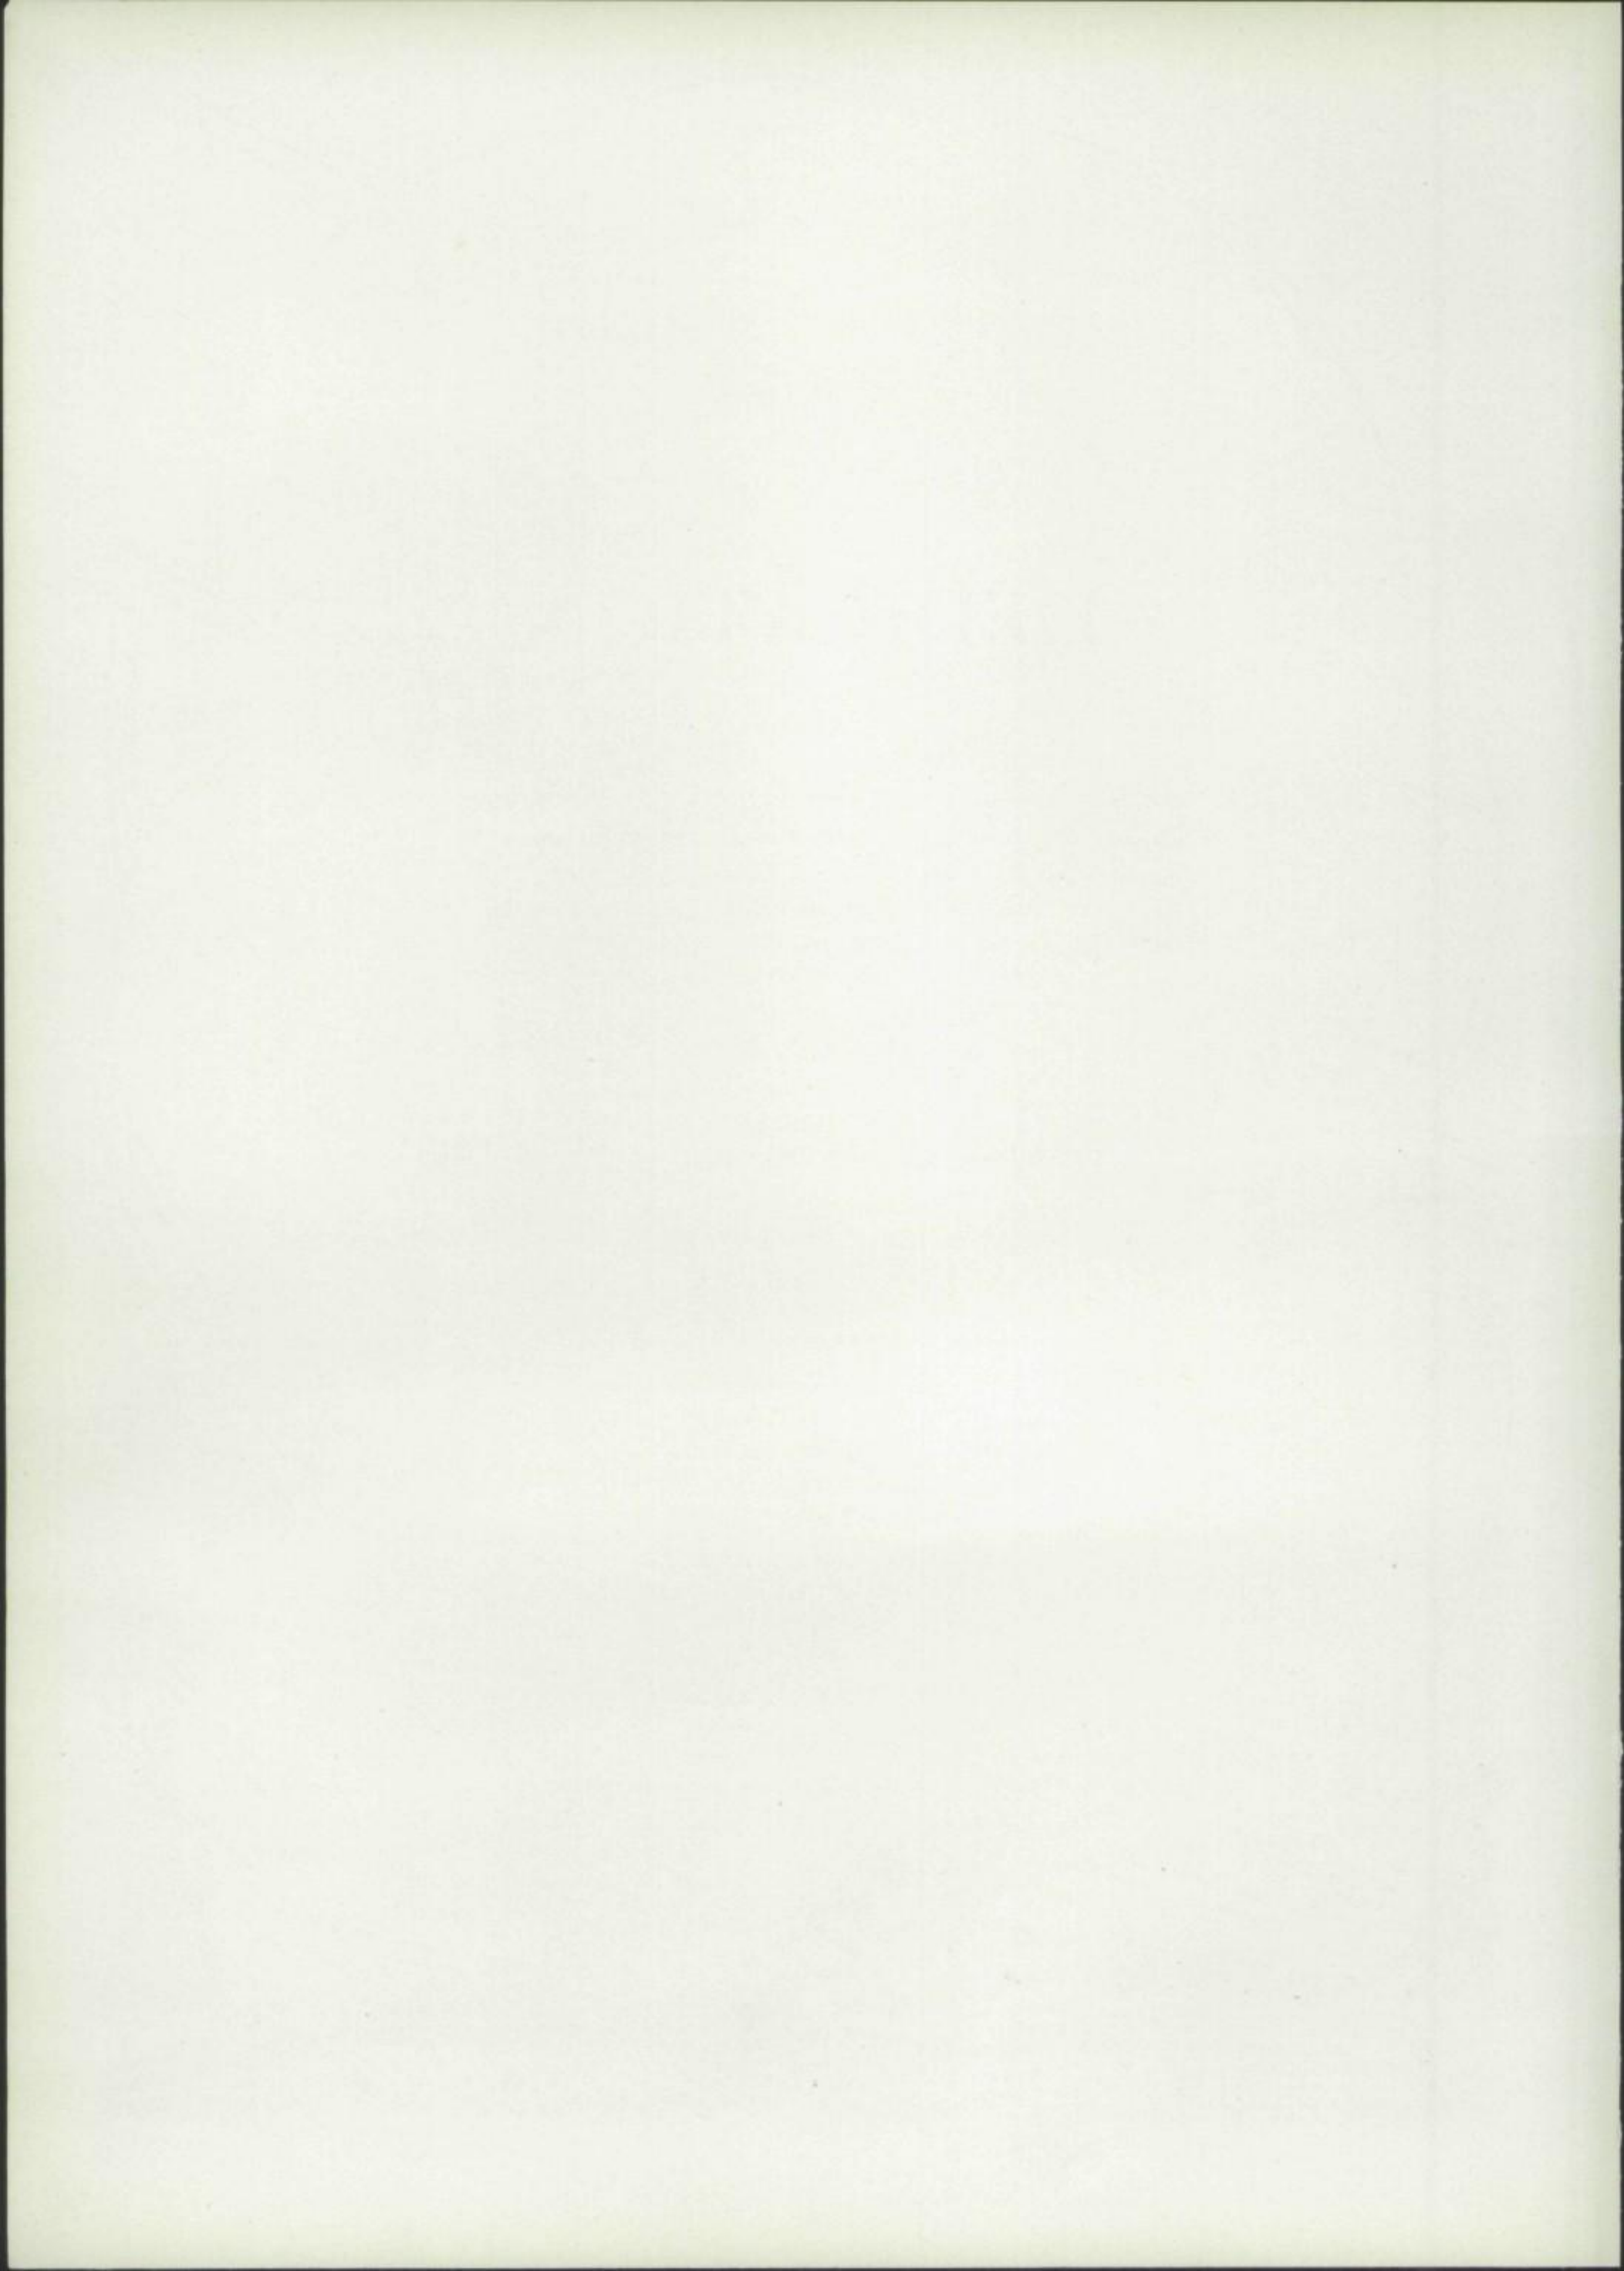

DEDICATION

We the Seniors of the class of 1959 dedicate this annual to our parents. We are doing this in gratitude for all the hours of time they have given us in obtaining an education. Our future depends on the education that we receive and each and every parent do the best he can to help us climb the ladder to success. We thank you very much.

ADMINISTRATION

Here's to the Class of '59
 One that approaches being sublime
 To Margaret and Laura our singers are they
 To Phyllis and Linda with Instruments they sway
 To Diana and Anita--two peas in a pod
 And Beverly, for you, a complete line I submit
 To Judy, our artist, with plenty of wit
 For Brenda and Nelson as together you've been
 To Donnie and Jan for records you've helped us win
 To Paul, the quiet type, and Max our young scholar
 For Phil and "ole" Chester we all give a hooping hollar
 For all your good Dads and Mothers; Uncles and Aunties

A FINE LIFE TO YOU ALL IS OUR WISH "BY GRANNY"

SENIORS

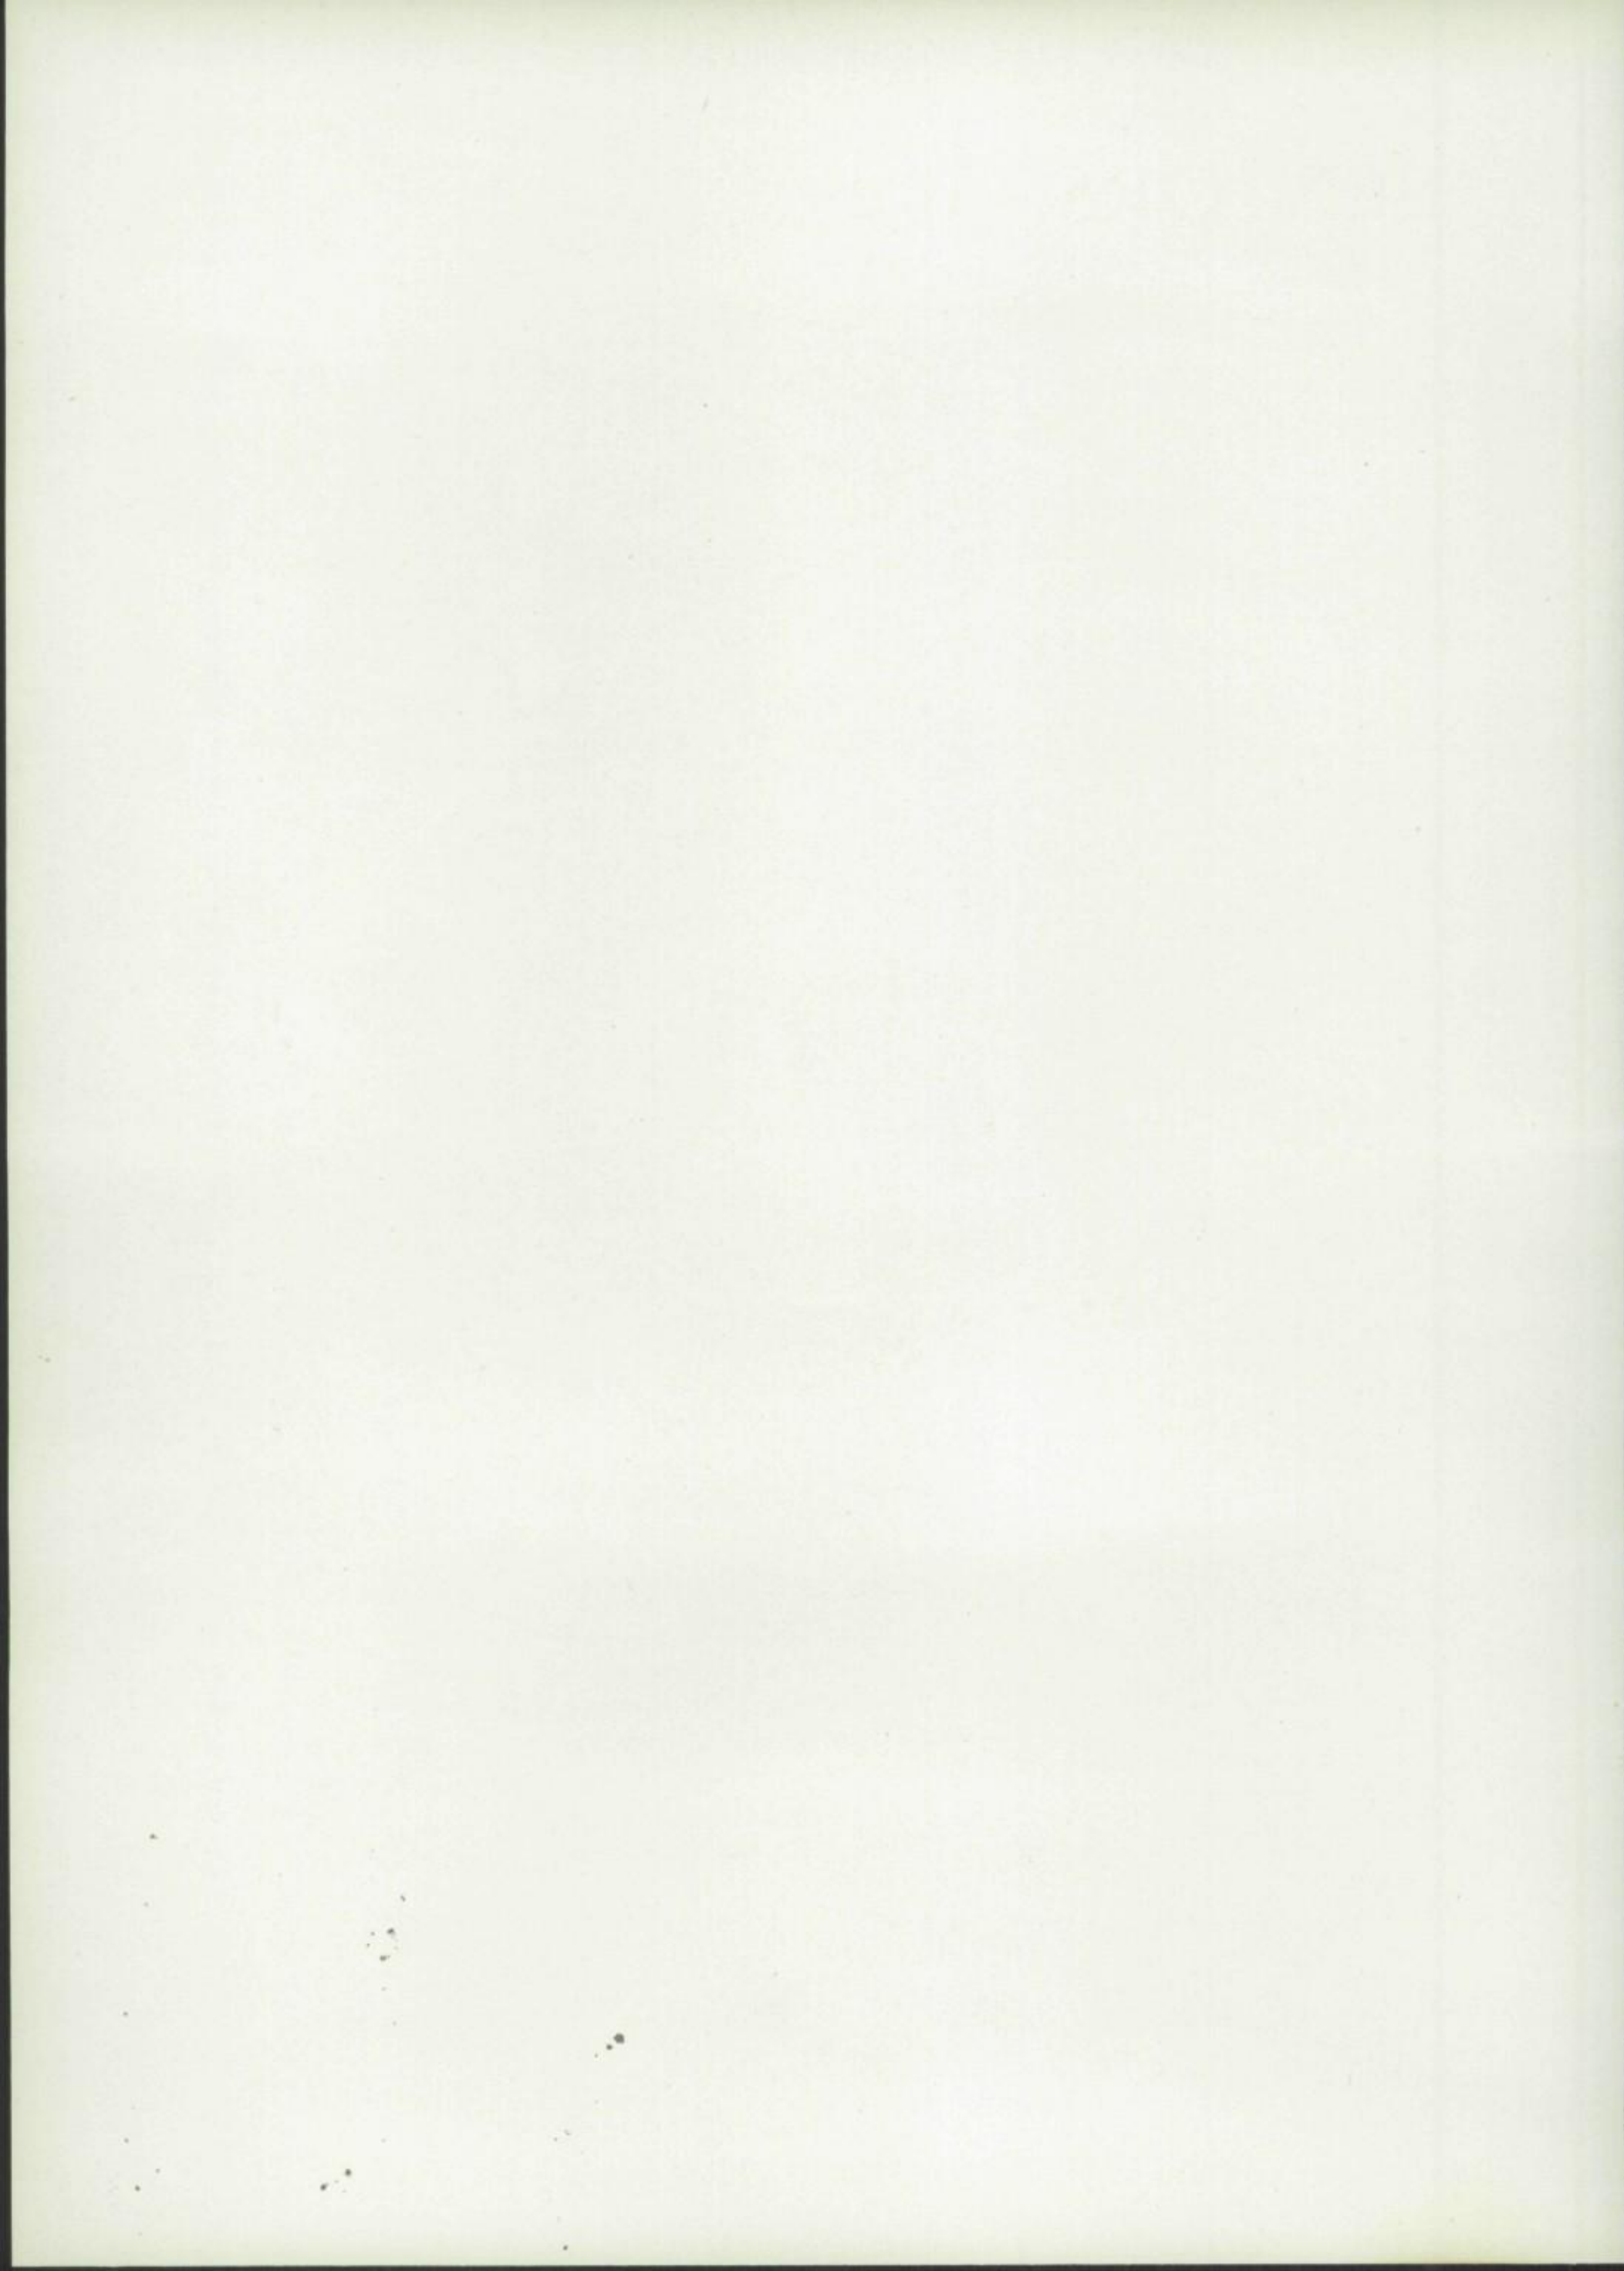

SENIORS

As we the Seniors of 1959 come near the end of our school days we can look back at the many tiring hours of fun that we have had. Each one will go his own way and look for a business in which to engross themselves. Each one will change and be glad to come back to their Alma Mater, Manilla. We appreciate anything that has been done to help us throughout our school days.

Who says boys are the only ones who participate in athletics?

Well--the girls here at Manilla have organized their own set of rules, and have a barrel of fun. Although we may not be as accurate and precise as the boys on shooting, we enjoy every moment of it.

ATHLETICS

ATHLETICS

The athletics at Manilla are steadily turning toward the top of the ledgers. One of the more important factors is the gym that has improved the basketball teams greatly, it has also aroused more enthusiasm among the future athletes.

The people of Walker Township are truly proud of the athletic department at Manilla.

SENIOR LETTERMEN

1000 POINTS--AND THEN SOME!

Jan and Donnie are the first students of Manilla High School to score 1000 points. They also have the distinction of being the first two students in the county from the same graduating class to score a 1000 point record. Congratulations to these two fine young men for bringing this honor to Manilla High School.

DONNIE

A "worry wart" for all opposition. Plagued by injuries and bumps on the head, determination persisted in making Donnie establish one of the finest offensive records our school has seen. Recorded in the minds of those who have seen him play are more than one can write, the record is in the book, placed there in the true athletic spirit we all admired.

JAN

An athlete who understands the true meaning of what it means to be an athlete. Words will not describe your activities as well as memories carried by our fans. Jan's records are on the books; no one can say but that they have all been earned in the true fashion of a lover of athletics.

PAUL

A symbol for all to remember. Most boys under the same physical handicaps as Paul would have never attempted to participate in athletics. We have marvelled at your courage and congratulate one fine young man for making the accomplishments that you have made. Manilla has been better by your example both on and off the athletics courts.

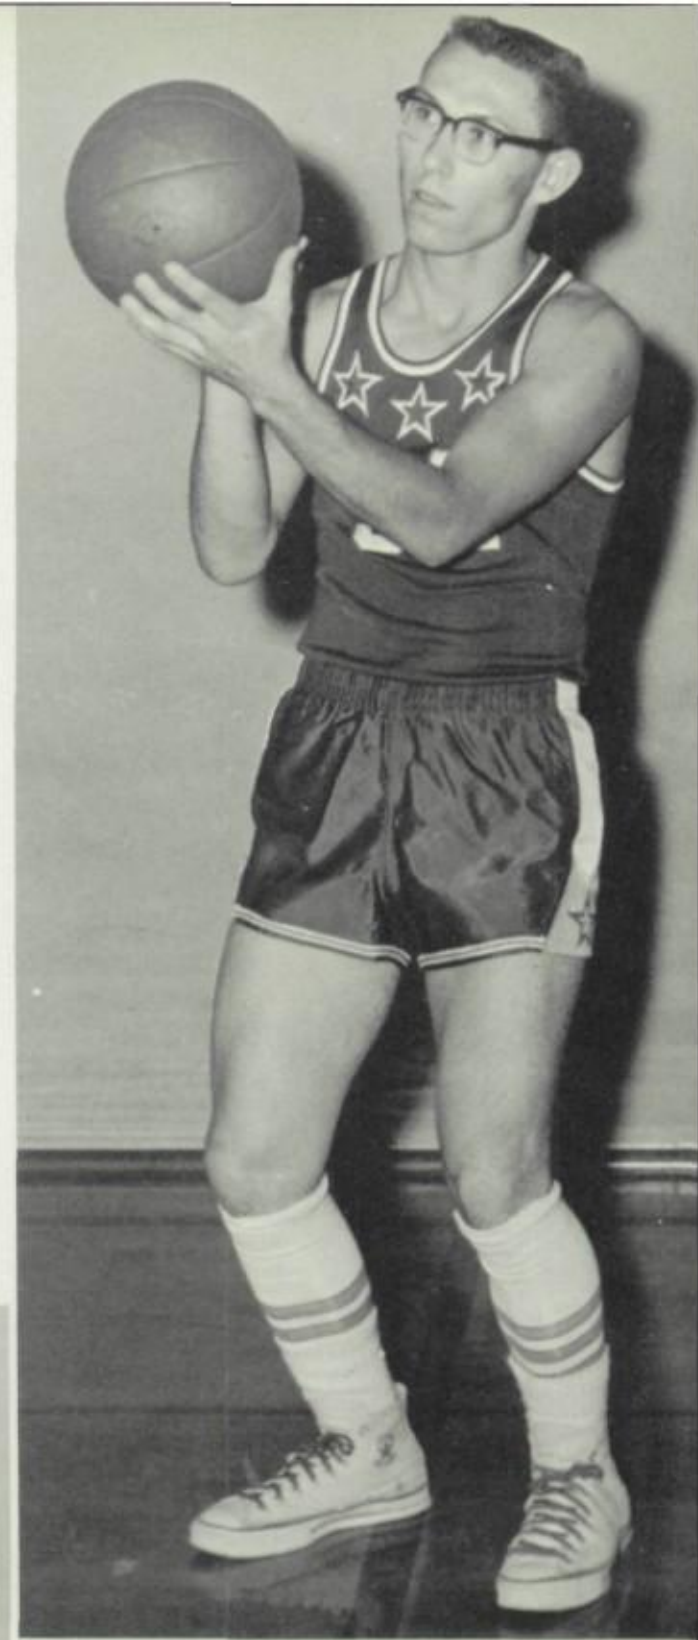

PAUL

PHIL

Headlines in papers have not flashed Phil's name for great offensive or defensive accomplishments but because of efforts on his part in providing tough practice sessions others were able to prepare to accomplish the headlines. Your ability to be loyal demonstrates character of which all are proud.

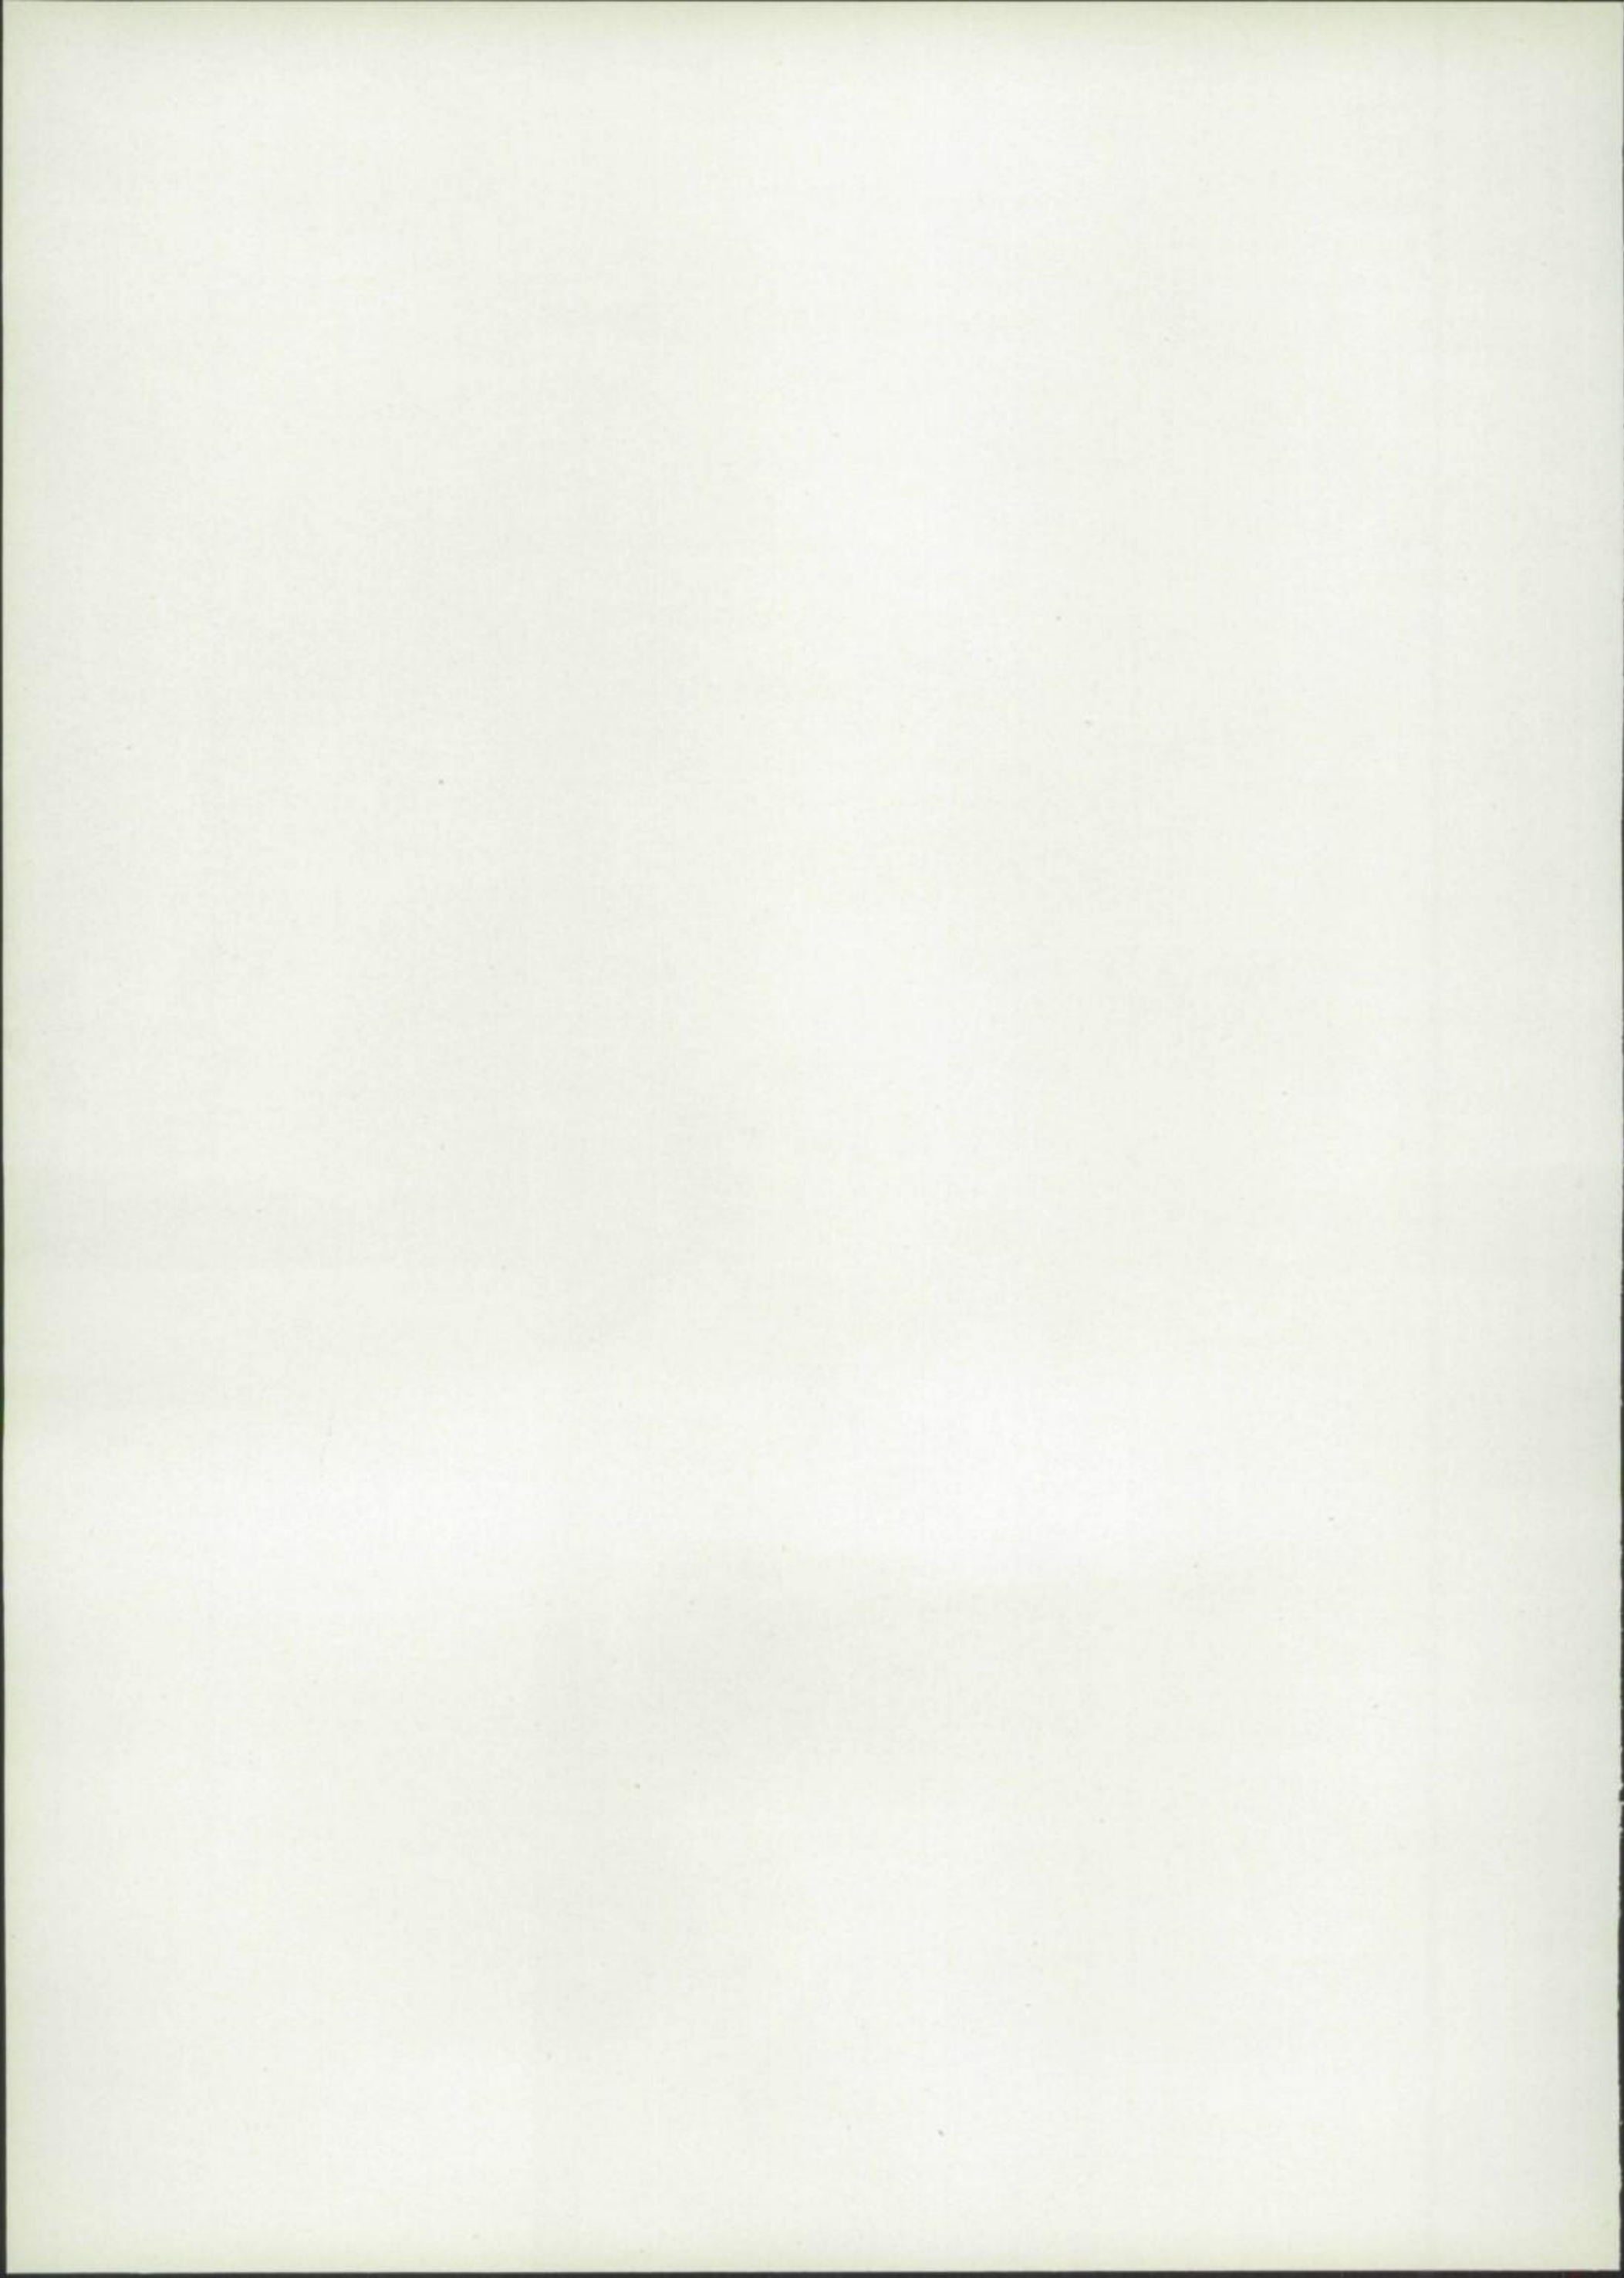

PHIL

NELSON

Consistent and steady with no complaints but always willing to make his best possible contribution has exemplified the attitude of Nelson. No one player contributes more importantly than one who does all he can to help make a good complete team, Nelson has done all this and has set an example of which all are proud.

NELSON

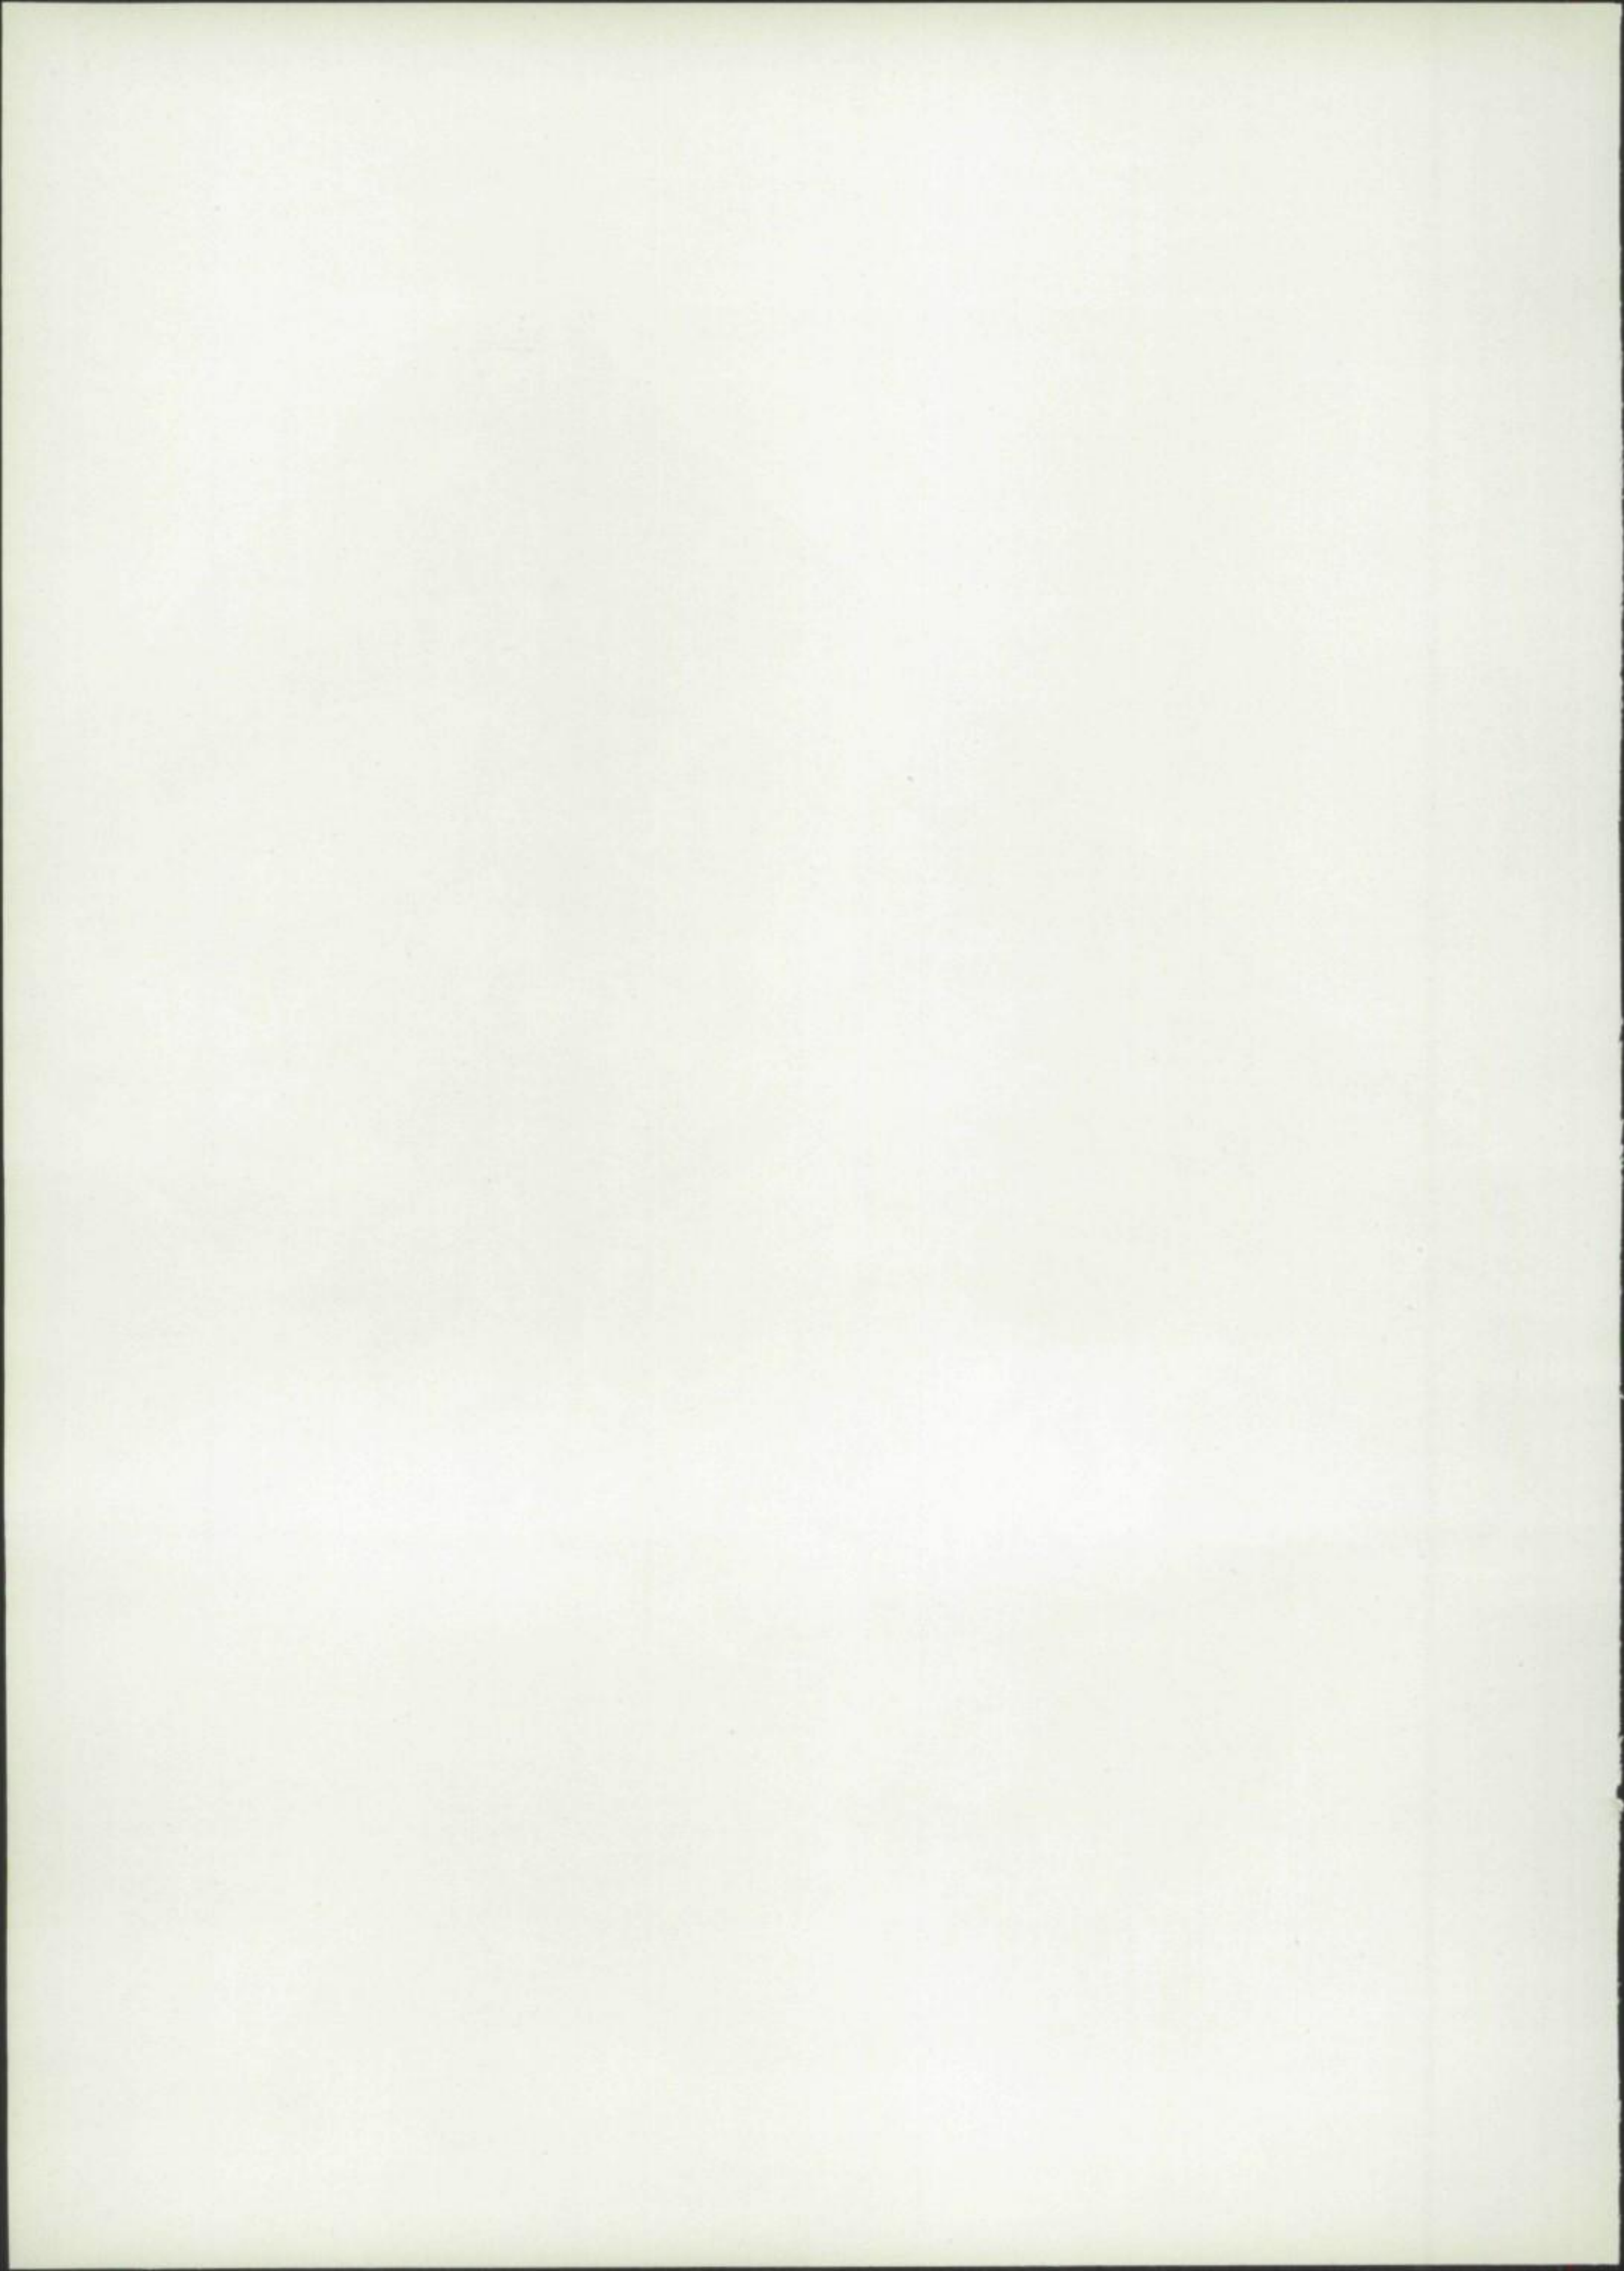

THIS IS THE 1958-59 RUSH COUNTY BASEBALL CHAMPS. THE TEAM HAS HAD A VERY GOOD RECORD THE LAST TWO YEARS, AND THEY ACCOMPLISHED THE FEAT THIS YEAR. THE TEAM HAD A RECORD OF 7-3 AND LOST ONLY ONE GAME IN THE SUMMER LEAGUE. THE TEAM CONSISTED OF 5 SENIORS, 4 JUNIORS, 4 SOPHOMORES, AND 1 FRESHMAN. THEY ARE LOOKING FORWARD TO ANOTHER SUCCESSFUL SEASON NEXT FALL IF THEY CAN FIND AN ADEQUATE PITCHING STAFF.
